A horizontal bar chart comparing the usage of JavaScript and Bateria in 2020 and 2025. The chart is divided into two main sections: 2020 (top) and 2025 (bottom). Each section contains two rows of data, one for JavaScript and one for Bateria. The bars are black and the background is white. The percentages are labeled at the end of each bar.

Year	Technology	Percentage
2020	JavaScript	80%
	Bateria	90%
2025	JavaScript	45%
	Bateria	2025
